PRESS RELEASE

July 30, 2015

SPORTING LICENSES AVAILABLE AUGUST 10, 2015

Lancaster Town Clerk Johanna M. Coleman announced today that Sporting Licenses will go on sale at her office in the Town Hall at 21 Central Avenue, Lancaster, New York, on Monday, August 10, 2015, at 9:00 a.m. and may be purchased thereafter any weekday, Monday through Friday, between the hours of 9:00 a.m. and 4:30 p.m.

To expedite purchase of license, bring a driver's license or a previous Sportsman's license. Any sportsman who finds it inconvenient to appear personally at the Town Clerk's Office during regular Town business hours may allow another person to purchase their license by sending with that person their driver's license or a previous hunting license. The fees associated with the license must be paid at time of license purchase.

Re: Town of Lancaster – Permanent Work – Category C

Dear Mr. Casey

Enclosed be find the supporting documentation for the Town of Lancaster Highway Department Category C Permanent Work. This disc includes completion of the guide rails, mailboxes, lawn damage, bubblers and approximately 80% of the cement work. On the enclosed disc in the folder Category C Fema Forms you will find the first submission from December 2014 to March 2015 (which was given to Ken Carlson) in the amount of $64,063.12, the additional information from March 2015 until July 2015 in the amount of $644,110.04 and also the signed and scanned full copy from March 2015 until July 2015 including all supporting documentation for a total to date of $708,173.16 with only 20% of concrete remaining.

I would appreciate if you would confirm receiving this information by email at mbarbaro@roadrunner.com. Should you have any questions or concerns regarding this information, please feel free to contact me at 716-683-3426.

Respectfully yours,

Michelle Barbaro

MONTHLY REPORT OF MARRIAGE LICENSES ISSUED

Report for the month of: July 2015
District: 1467
City or Town: Lancaster 17
County of: Erie 14

DEP NO _____
$ _____
CHECK # _____

Pursuant to the provisions of Section 15 of the Domestic Relations Law, as last amended by Chapter 62 of the

Licenses issued were numbered from 84 to 107 inclusive.

Amount of remittance with this report

$540.00

(24 X $22.50)

Clerk: Johanna M. Coleman

Signature: Date: 8/3/2015

Address: 21 Central Ave

Lancaster, NY 14086

INSTRUCTIONS

THIS MONTHLY REPORT OF MARRIAGE LICENSES ISSUED MUST BE TRANSMITTED TO THE STATE DEPARTMENT OF HEALTH AT THE ABOVE ADDRESS FOR EACH MONTH regardless of whether or not any licenses were issued. If no licenses were issued, indicate NONE in the space provided for license numbers.

The issuance of a marriage license makes you responsible for the remittance fee of $22.50, regardless of whether or not the marriage ceremony is ever performed.

Marriage licenses must be numbered and reported consecutively throughout the year starting with number 1 at the beginning of EACH calendar year.

Pursuant to the authority of Section 19 of the New York State Domestic Relations Law, the Commissioner of Health has directed that this report, together with any fee, must be transmitted to the State Department of Health by the 15th of the month following the month which the report covers.

New York State Domestic Relations Law 22 provides that any Town or City Clerk who violates or fails to comply with any of the above mentioned reporting or filing requirements, shall be deemed guilty of a misdemeanor and shall pay a fine not exceeding the sum of one hundred dollars on a conviction thereof.

Re: Cemetery Funding

Dear Supervisor Fudoli and Council Members,

With continuing appreciation for your past considerations and funding we approach you once again in our effort to keep Lancaster Rural Cemetery an attractive and efficiently run operation of which the community can be proud.

We continue to struggle with the social changes affecting the funeral and cemetery industry as cremations are more and more prevalent than full burials. This dramatically hits the income column, in some areas cutting product sales by as much as 50%.

But expenses do continue with maintenance not only of the building and grounds, but also of the equipment used to maintain the grounds. We continue to hold back on capital expenses and equipment purchases; we have deferred a purchase of a new mower. Our dumpster will finally be enclosed before the end of the year; this is being done as a donation from a local family.

We are asking again for a budget line of $15,000 for the budget year of 2016. This will again help us to continue our work resourcefully without a decrease in services to the community. Without your assistance it would be impossible to continue without cutbacks in maintenance and equipment upkeep.

Regarding to our water leak which was discovered last summer we have accomplished repairs with the work done by our capable staff; this could not have been done without your financial assistance. Erie County Legislator Ted Morton was instrumental in a cost settlement with Erie County Water Authority. These two factors helped us to stay within our budget of $5,000.

We fully appreciate all the Town has done for us in the past several years, without you assisting us our board most assuredly would need to make sweeping changes.

Sincerely,

James B. Allein, President

Re: **State Environmental Quality Review (SEQR) Lead Agency Status Request; and Re-zoning Request (NB to MFR-3 for Walden Patio Homes (29 single-family)**
Location: 0 Walden Avenue; SBL# 104.08-10-12)
County Review #: M617-15-349 and ZR-15-361

Dear Mr. Duziak:

Pursuant to New York General Municipal Law Section 239-m, and Article 8 of the New York State Environmental Conservation Law, the County of Erie (the "County") has reviewed the above-referenced project (the "Project") referred by the Town of Lancaster (the "Town"), with the most recent referred material regarding the proposal sent July 1st, 2015; regarding the Town's State Environmental Quality Review Lead Agency Status request; and the applicant's request for rezoning from Neighborhood Business (NB) to Multi-family Residential (MFR-3).

The County does not object to the Town of Lancaster assuming Lead Agency Status for the State Environmental Quality Review (SEQR) process for the above cited land use proposal.

Please give the fullest consideration to any comments received from other County agencies. Erie County Department of Environment and Planning offers the following comments for consideration in your discussion of the proposal and; and within the formulation of Findings Statements of the State Environmental Quality Review process.

The presence of the 100-year floodplain and federal wetlands on the northwest portion of the lot suggest the current zoning of neighborhood business may be more appropriate, as it leaves open the opportunity for providing business land use, which, in many cases, would not be continuously occupied any hour of the day, lessening the number of individuals who may be in close proximity to potential home and roadway flooding.

Please note that the Regional Comprehensive Plan for Lancaster and its villages recommended establishing a 100-minimum greenway easement along creeks, including Scajaquada Creek. Lots # 25, 26, and 27 appear to be within the 100 of the stream. Similarly, lots # 19 through 22 fall within the 100-buffer area applicable to federal wetlands. Conditions may be a warranted to control accessory structures, particularly draining of backyard pools, for homes proposed within such close proximity to the creek and wetland area,

The spirit of the current zoning is to encourage smart growth mixed housing and business to encourage reduced, or eliminated, vehicle commuting. The current proposal will occupy 497 feet of frontage on Walden Avenue, a principal arterial state roadway. The Regional Comprehensive Plan (produced for Lancaster and it's two villages),envisioned the Walden Avenue corridor running east from the Village Lancaster to be an industrial corridor, optimizing the sewers capacity and other available infrastructure. The proposal under review will dilute opportunities for the industrial business growth envisioned for this corridor which has

appropriate infrastructure capacities to sustain industry and other business, and create a more suburban residential character. Industrial growth, including jobs associated with it, will be shifted to other areas which may require more vehicle travel by residents of the proposed development , and the general public, to access such industry/business for employment, or services and goods..

Visual buffering with a berm and plantings would be warranted along the Walden Avenue frontage, if development plans are approved. Such improvements should be used as opportunity to also aid reducing adverse storm water impacts of the proposal.

The outer perimeter of the proposed stormwater retention area is only approximately 12 feet from the 100-foot floodplain. Spring overload of melting plowed snow coupled with rain could induce overflow of the stormwater retention pond. Such overflow, coupled with any seasonal overflow of Scajaquada Creek, which feeds the federal wetland, may threaten flooding to the patio homes and the right-of-ways of both Juniper Boulevard and Walden Avenue. The 705-foot elevation at the edge of the stormwater facility proposed is present also at the entry point from Juniper Blvd. to the proposed 24'-wide drive. Drainage and site grading of lots on the south side of the proposed private drive would need close examination to avoid adversely impacting proposed homes on the north side,` and also to Walden Avenue to the south.

The private drive plan view does not clearly indicate if the solid double line is a curb or sidewalk. Pedestrian sidewalks would be appropriate, especially to separate from traffic on a narrow 24-wide two-way private right-of-way. Consideration should be made if delivery trucks, tractor trailers; and fire engines, can adequately navigate the road without blocking traffic, or without themselves facing flooded roadways. A possible gated emergency only alternate access point, perhaps from Walden to the cul-de-sac, with input from local emergency service providers, may be warranted.

- Is slab-on-grade construction proposed? If so, wet/flooded basements will not exist, but, first-floor flooding impact will increase. French drains, if any, may be saturated by seasonal high water table, and may clog over longer time.
- Adequate construction phase controls of runoff of stored soil, subsoil, gravel, or other bulk materials re critical to avoid adverse impacts to the wetland or roadways.
- The Town may see fit to require minimum road construction standards to avoid premature aging of roads inconsistent with public right-of-ways in the vicinity.

Erie County Department of Health, has review and permitting authority for the project. Permitting application submission by the applicant, and receipt of approvals, if granted, must precede the start of any construction.

This review pertains to the above-referenced zoning referral submitted to the Erie County Department of Environment and Planning. This letter should not be considered sufficient for any county approvals. The applicant must still obtain any other permits and regulatory approvals applicable to this Project.

Please feel free to contact me at 858-6014 with any questions regarding this response letter to your referral.

Sincerely,

Mark Lee
