Re: (2) - 2016 ODB Truck Mounted Vacuum Debris Collectors Model SCL800SM-25

Dear Honorable Town Board Members:

I would appreciate your support in sponsoring a resolution to purchase two new and unused 2016 ODB Truck Mounted Vacuum Debris Collectors Model SCL800SM-25. These two 2016 ODB Truck Mounted Vacuum Debris Collectors Model SCL800SM will be purchased through the National Joint Powers Association (NJPA). The NJPA vendor is Old Dominion Brush Co., Inc., located at 5118 Glen Alden Drive, Richmond, VA 23231. The price of these two2016 ODB Truck Mounted Vacuum Debris Collectors Model SCL800SM-25 is $339,814.10. These two 2016 ODB Truck Mounted Vacuum Debris Collectors Model SCL800SM-25 will be paid for out of the bond authorized May 18, 2015 for Highway Equipment.

Should you need any further information regarding this subject, please do not hesitate to contact me.

Respectfully yours,

Daniel Amatura
Highway Superintendent

Dear Supervisor Fudoli and Honorable Council Members:

Please adjust the rate of pay for Kirstin Heffler of the Swim Program from $10.00 to $12.00 per hour. Kirstin will now be a supervisor taking on the added responsibilities of pool director. This is due to the fact that the current pool director has been out ill and will be out indefinitely. I would like to request a resolution be placed on the agenda for the Monday, November 2, 2015, Town Board meeting. This is retroactive to October 12, 2015. If additional information is needed, please do not hesitate to contact me.

Sincerely,

Mark D. Lubera

October 27, 2015

Supervisor Dino Fudoli and Honorable Town Board Members
Town Hall
21 Central Avenue
Lancaster, NY 14086

Dear Supervisor Fudoli and Honorable Town Board Members:

Attached please find the current charges for our various programs with proposed increases next to it. There are some programs such as winter indoor volleyball and our Men's Softball Leagues that make a modest profit. For these I have not recommended an increase. The cost of the Town's labor also has not been included in the cost of the program.

There is one issue that I would like to discuss and that is the fact that Ponytails and Little League do not contribute anything towards the cost of preparing diamonds on weekends and especially tournament weekends. Every weekend during the season our crews prep 15 diamonds for use by the Little League and Ponytails. Approximately four hours is spent doing the diamonds and on tournament weekends two crews are needed because the diamonds have to be done more often at a cost of 6-8 hours per two man crew.

Our overtime cost for the Ponytail and Little League season this year was approximately $15,340.00. I expect it to be higher next year with the addition of more tournaments. I feel that expectations imposed upon us by Little League and Ponytails will always be there and the cost will at some point become prohibitive.

We are currently revamping our playground program and will submit a proposal soon. If you have any questions or concerns, I would be happy to discuss them with you.

Sincerely,

Mark D. Lubera

Supervisor Dino Fudoli & Honorable Town Board Members
Town Hall
21 Central Avenue
Lancaster, NY 14086

Dear Supervisor Fudoli and Honorable Town Board Members:

As you know, our winter basketball program has been one of the Town's best kept secrets. However, some of the men and women that have been with our program for many years are quitting. Some give up eight hours of there Saturday to provide basketball instruction and life lessons to the youth of Lancaster. We feel the reason for quitting might be the pay rate.

I respectfully request that the salary for the eight individuals that run our basketball program be raised from $9.00 per hour to $12.00 per hour effective January 1, 2016.

If you have any questions or concerns on this matter, please contact me at your convenience.

Sincerely,

Mark D. Lubera

Dear Dino:

Attached is a proposal from Concord Electric Corporation for a change order on the Highway Building. I have requested a price on changing the lighting from fluorescent lights to LED lights. Attached please find a comparison chart of LED lights to fluorescent lights. You can see the savings as started on the comparison chart. I am requesting the town Board approve a change order for the change in lighting. I feel that the cost savings down the road would offset the change order cost.

Your immediate response would be appreciated.

Sincerely yours,

Daniel Amatura

Comparison Chart
LED Lights vs. Incandescent Light Bulbs vs. CFLs

Energy Efficiency & Energy Costs	 **Light Emitting Diodes (LEDs)**	**Incandescent Light Bulbs**	**Compact Fluorescents (CFLs)**
Life Span (average)	**50,000 hours**	**1,200 hours**	**8,000 hours**
Watts of electricity used (equivalent to 60 watt bulb). LEDs use less power (watts) per unit of light generated (lumens). LEDs help reduce greenhouse gas emissions from power plants and lower electric bills	**6 - 8 watts**	**60 watts**	**13-15 watts**
Kilo-watts of Electricity used (30 Incandescent Bulbs per year equivalent)	**329 KWh/yr.**	**3285 KWh/yr.**	**767 KWh/yr.**
Annual Operating Cost (30 Incandescent Bulbs per year equivalent)	**$32.85/year**	**$328.59/year**	**$76.65/year**

Environmental Impact	**Light Emitting Diodes (LEDs)**	**Incandescent Light Bulbs**	 **Compact Fluorescents (CFLs)**
Contains the TOXIC Mercury	**No**	**No**	Yes - Mercury is very toxic to your health and the environment
RoHS Compliant	**Yes**	**Yes**	No - contains 1mg-5mg of Mercury and is a major risk to the environment
Carbon Dioxide Emissions (30 bulbs per year) Lower energy consumption decreases: CO_2 emissions, sulfur oxide, and high-level nuclear waste.	**451 pounds/year**	**4500 pounds/year**	**1051 pounds/year**

Important Facts			

	Light Emitting Diodes (LEDs)	Incandescent Light Bulbs	Compact Fluorescents (CFLs)
Sensitivity to low temperatures	None	Some	Yes - may not work under negative 10 degrees Fahrenheit or over 120 degrees Fahrenheit
Sensitive to humidity	No	Some	Yes
On/off Cycling Switching a CFL on/off quickly, in a closet for instance, may decrease the lifespan of the bulb.	No Effect	Some	Yes - can reduce lifespan drastically
Turns on instantly	Yes	Yes	No - takes time to warm up
Durability	Very Durable - LEDs can handle jarring and bumping	Not Very Durable - glass or filament can break easily	Not Very Durable - glass can break easily
Heat Emitted	3.4 btu's/hour	85 btu's/hour	30 btu's/hour
Failure Modes	Not typical	Some	Yes - may catch on fire, smoke, or omit an odor

Light Output	 Light Emitting Diodes (LEDs)	 Incandescent Light Bulbs	Compact Fluorescents (CFLs)
Lumens	Watts	Watts	Watts
450	4-5	40	9-13
800	6-8	60	13-15
1,100	9-13	75	18-25

A meeting of the Planning Board of the Town of Lancaster, Erie County, New York was held at the Lancaster Town Hall, 21 Central Avenue, Lancaster, New York, on the twenty-first day of October 2015 at 7:00 P.M, and there were present:

PRESENT:	Neil Connelly, Chairman Rebecca Anderson, Member Anthony Gorski, Member Joseph Keefe, Member Lawrence Korzeniewski, Member Kristin McCracken, Member Melvin Szymanski, Member
EXCUSED:	None
ABSENT:	None
ALSO PRESENT:	
Town Board Members:	None
Other Elected Officials:	None
Town Staff:	Robert Harris, Engineering Consultant-Wm. Schutt & Assoc. Kevin Loftus, Deputy Town Attorney Mary Nowak, Recording Secretary

Meeting called to order by Chair Connelly at 7:00 P.M.

Pledge of Allegiance led by Chair Connelly.

Minutes – A motion was made by Lawrence Korzeniewski to approve the minutes from the October 7, 2015 Planning Board Meeting. Motion seconded by Kristen McCracken and unanimously carried.

TOWN OF LANCASTER PLANNING BOARD

COMMUNICATIONS - OCTOBER 21, 2015

10.21.01	Minutes of ZBA meeting held 10/08/15.
10.21.02	SEQR response dated 10/09/15 from NYSDEC regarding 1202 Townline Rd.
10.21.03	Notice of SEQR Review to be held 10/19/15 at 6:00 P.M.
10.21.04	Revised landscape plan from 1202 Townline Rd.

DISCUSSION ITEMS –

Town's Comprehensive Plan – The Planning Board discussed the following:

Subdivisions in AR districts – It was suggested that subdivisions in AR districts that are within a sewer district need to be rezoned to R-1. Currently, there are different offsets for accessory structures and recreational vehicles in the subdivisions in AR districts.

Currently the north side of Walden Avenue between Cemetery Road and Pavement Road is zoned RCO with AR behind that area. It was suggested that the area between Cemetery Road and Pavement Road be rezoned to LI (Light Industrial) to encourage development.

There is a need for zoning and designations for patio homes in the Town. It was suggested that we contact other towns for their description and zoning of patio home developments. Chair Connelly will contact the Town of Elma.

The current Town Code does not address airports. It was suggested to contact the Building Department to try and find a copy of the old Town code which did contain information regarding airports.

Critical Environmental Areas (CEA) – Ellicott Creek between Harris Hill Road and Pavement Road should be looked into as a Critical Environmental Area due to wetlands and flooding in this area. Member Anderson will contact the NYSDEC regarding the criteria for a Critical Environmental Area.

Grants – Member McCracken contacted the Town's grantwriter Sue Barnes regarding any type of grants that might be available for the zoning audit that was discussed at the last meeting. She reported back to the Planning Board that there is no grant money for the audit. There may be grant money available going forward for projects that incorporate infrastructure.

Town Engineer Robert Harris will provide the Planning Board members with copies of the most recent Town Zoning Map.

Deputy Attorney Kevin Loftus will contact Chuck Malcolm to review subdivision regulations and patio homes.

At 7:50PM a motion was made by Kristen McCracken to adjourn the meeting. Motion seconded by Lawrence Korzeniewski and unanimously carried.

Mr. Dino Fudoli, Supervisor
Honorable Council Members
Town of Lancaster
21 Central Avenue
Lancaster, NY 14086

Dear Supervisor Fudoli and Honorable Council Members:

The heritage trail that goes through our town is used for many things such as bike riding, birdwatching, inline skating, and just the opportunity to walk through the woods and see nature.

The time has come where the heritage trail needs to be maintained. The brush has encroached in some areas where site lines and overhangs are an impediment to users. We anticipate going through with a brush hog to open site lines, and our tree crew will cut down and remove dead trees. We plan on doing most of this work during hunting season when the trail is shut down.

I, therefore, respectfully request a resolution appointing Mr. Jules McCann as a part-time permanent employee at a rate of $12.00 per hour to oversee this project. Mr. McCann is one of the town's representatives for the Erie County Environmental Council. He also has extensive knowledge of the plants and fauna that exist on the trail. If you have any comments or concerns, please do not hesitate to contact me.

Sincerely,

Mark D. Lubera
