NOTICE OF ADOPTION
LOCAL LAW NO. 1 OF THE YEAR 2017
TOWN OF LANCASTER**

PLEASE TAKE NOTICE that there has been adopted by the Town Board of the Town of Lancaster, Erie County, New York, on March 20, 2017 Local Law No. 1 of the Year 2017, which amends the Town of Lancaster Code, by Establishing a Six-Month Moratorium on Applications, Approvals, and/or Construction or Installation of Commercial Solar Energy Systems and/or Solar Farms, which is on file for review in the Town Hall and on the Town of Lancaster's website, <http://www.lancasterny.gov>.

**TOWN BOARD OF THE
TOWN OF LANCASTER**

**By: DIANE M. TERRANOVA
Town Clerk**

March 23, 2017

**Town of Lancaster
Local Law No. 1 of 2017**

A Local Law Amending the Town of Lancaster Code to Establish a Six-Month Moratorium on Applications, Approvals, and/or Construction or Installation of Commercial Solar Energy Systems and/or Solar Farms.

Be it hereby enacted by the Town Board of the Town of Lancaster as follows:

Section 1: Purpose and Intent.

The purpose of this Local Law is to protect the health, safety, and welfare of the residents of the Town of Lancaster and to maintain the status quo as to certain solar energy uses, as the present zoning regulations of the Town of Lancaster do not adequately address this type of use. This moratorium will temporarily stop the processing of applications for and the issuance of permits, certificates of occupancy, and approvals for certain land uses related to solar energy, included but not limited to, solar farms. The moratorium is for a period of six (6) months, allowing the Town Board to analyze and determine potential appropriate revisions and amendments to the Town of Lancaster Zoning Code concerning this use.

Section 2: Legislative Findings.

The Town of Lancaster Town Board hereby finds that without a temporary halt on the processing, permitting, and approval for certain solar land uses there is a potential that such uses could be located in unsuitable areas within the Town and/or on particular lots without adequate dimensional regulations in place. The potential for the unsuitable location of and lack of proper dimensional regulations for such uses would have materially adverse impacts on the Town. The Town Board also finds that time is required to perform the necessary analysis of the potential types of solar energy facilities that could be located in the Town. By maintaining the status quo regarding such uses, the Town Board can provide for the planned orderly growth and development of the Town.

Section 3: Moratorium Imposed.

For a period of six (6) months following the effective date of this Local Law, no application may be processed, and no permits, certificates of occupancy, approvals, variances, denials, determinations or interpretations may be issued or granted for any land uses relating to solar energy, including but not limited to, solar farms.

The term "land uses relating to solar energy" shall be broadly construed to include any facility designed to generate electric power to be marketed, sold or used for other than the power demands of the improvements on the property on which such facility is located. Not included within the scope of this moratorium are solar energy facilities designed to generate electric power solely for the use of the improvements located on the same property. The term "solar farm" shall mean a collection of solar panels covering one-quarter (1/4) acre or more of land that are designed to capture sunlight and transform it into electricity. This definition includes freestanding and ground pole-mounted photovoltaic and parabolic solar installations. This definition does not include photovoltaic panels that are mounted on or affixed to residential dwellings for their use or municipal buildings or existing panels mounted on commercial or industrial buildings.

This Local Law shall be binding on the Town Board, Planning Board, Zoning Board of Appeals, Building Inspector/Code Enforcement Officer, all Town officials and employees, and any applicant or real property owner in the Town desiring to apply for or receive a permit, certificate of occupancy, or approval in the Town of Lancaster.

During the period of the moratorium, the Town Board shall endeavor to complete all reasonable and necessary review, study, analysis and, if warranted, revisions to the Town of Lancaster Zoning Code. During the period of the moratorium, no applications will be accepted nor permits, certificates of occupancy or approvals issued which would authorize development within the Town for land uses relating to solar energy as described above.

Section 4: Term.

This moratorium shall be in effect for a period of six (6) consecutive months from its effective date. This term may be extended for a cumulative period of up to an additional six (6) months, if necessary, by resolutions of the Town Board.

Section 5: Effect on Other Laws.

To the extent that any law, ordinance, rule or regulation, or parts thereof are in conflict with the provisions of this Local Law, including all provisions of Article 16 of the New York State Town Law concerning special use permit, site plan, building permit, and certificate of occupancy procedure and requirements, this Local Law shall control and supersede such law, ordinance, rule, or regulation.

Section 6: Variance.

An application for a variance from the terms of this moratorium may be submitted, with a \$200 fee, to the Town Clerk. Notwithstanding the provisions of Article 16 of the Town Law and the Zoning Code of the Town of Lancaster, such variance requests shall be considered by the Town Board in accordance with the requirements for a use variance.

Section 7: Severability.

Should any provision of this Local Law be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of this Local Law as a whole or any part thereof other than the part so decided to be unconstitutional or invalid.

Section 8: Effective Date.

This local law shall take effect immediately upon its filing with the Secretary of State in accordance with the Municipal Home Rule Law. .

THE FOLLOWING RESOLUTION WAS OFFERED
BY COUNCIL MEMBER ABRAHAM, WHO
MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER GACZEWSKI, TO WIT:

THE FOLLOWING RESOLUTION WAS OFFERED
BY COUNCIL MEMBER ABRAHAM, WHO
MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER GACZEWSKI, TO WIT:

WHEREAS, the Town Board has received a Subdivision Preliminary Plat Plan Application from **Windsor Ridge Partners (“The Applicant”)** for the purpose of developing a 193 +/- lot subdivision on property identified as SBL Nos. 127.01-2-21, 127.01-3-22, 127.01-3-21.1, 127.01-3-19, 127.01-3-20 & 127.01-3-16 known as “Windsor Ridge South Subdivision Phase 2”, in the Town of Lancaster, New York; and

WHEREAS, the Town Board referred the subdivision preliminary plat plan to the Planning Board for review and recommendation pursuant to Town of Lancaster Code § 50-42(A)(2); and

WHEREAS, pursuant to Town Law Section 276(5)(d)(i), the Town Planning Board held a public hearing on the preliminary plat application; and

NOW, THEREFORE,

BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. The Applicant’s Subdivision Preliminary Plat Plan Application is DENIED for the following reasons:

The Applicant’s modified design of the subdivision plat to remove an access road to Brunck Road creates significant traffic impacts. The revised design, which has not previously been evaluated by the Town Board, removes a vital ingress/egress point for residents in the subdivision that will increase traffic at other ingress/egress points. This is a significant change, given the density of the proposed subdivision plan. The cumulative traffic impacts, resulting from Phase 1 of the development and the proposed Phase 2, make this additional impact significant and the access road to Brunck Road critical.

2. This resolution is effective immediately.
