12-20765	Goldthwait	78 Woodlawn Ave	Deck
12-20776	5386-5400 Broadway	5386 Broadway	Wall Sign
12-20781	Johnson	15 Maple Ave	Porch and Porch Cover
12-20782	Krathaus	47 Wren Ave	Fence

Adopted Resolution: **193** Ayes: Trustees Marki, Maute, O'Brien, and Schroeder

AUDIENCE PARTICIPATION:

Sharon Sikora – Mimi's Central Perk Café: She stated that skateboarders are creating a disturbance in front of her store and upsetting patrons. She suggested the use of signs to prohibit loitering in the area.

Ed Church – Eddie Ryan's Restaurant: He has noticed a number of bicyclists in the area between his building and Rite Aid. Some residents of Lancaster Towers feel threatened and will not come into his restaurant. He has had damage to his property. The Police Department has been contacted many times regarding the activities of the children but they are limited regarding what they can do. He indicated that the children are disrespectful to pedestrians and the situation is getting out of control. He is requesting assistance from the Village Board to address the problem.

Trustee Marki commented that there are some children that are not a part of the problem. He does not want to make a generalization that all children are a source of trouble.

There was discussion with Village Attorney Herdzik regarding a proposed solution to the problems being encountered with children gathering on sidewalks. Some business owners indicated that they would like to have no skateboarding on sidewalks.

Susan Foster – Today's Dog Grooming: She expressed her concerns with children on the sidewalks near her business. There is litter from the children and safety issues from skateboarding and bicycling. She feels that the children do not show respect for adults and property.

Deputy Mayor Maute indicated that he will contact the Police Chief and Town Supervisor to request additional assistance with the skateboarders and bicyclists.

Trustee O'Brien stated that the Village Board is working to address the issue and will continue their efforts to assist the business owners.

Tracy Diegelman – Bloomsbury Lane Toy Shoppe: She requested that the tables be removed from West Main Street. She is concerned that children gathering at the tables could be harmed by motorists leaving the area. Acting Crew Chief George Miller stated that he would remove the tables tomorrow.

Karen McGuire – 21 Grant Street: She is a patron of Eddie Ryan's and she experienced a situation where she came across skateboarders going by at a fast speed without regard for her safety.

Attorney Herdzik will prepare a proposed local law to ban skateboarding for consideration at the next board meeting.

Jerry Kowalski (Manager) – Rite Aid Pharmacy: He explained problems with bicyclists and skateboarders at his place of business. He noted that senior citizens are afraid to cross the street and walk near these groups of children. There are issues with safety and property damage including the cost to make necessary repairs. He indicated that the time period of greatest concern is in the late afternoon and early evening. The problems are getting worse and he is unsure as to what factors may be causing it.

There was discussion regarding security to monitor the private property of the businesses. Mr. Kowalski indicated that he has hired security during the 4th of July and Christmas which are his busiest times. He noted that damages during these times were substantial which led to the added expense.

Trustee Marki stated that the Village Board realizes that this is a serious problem and it will be addressed so that businesses can continue to thrive in the community.

There is a meeting with local business owners tomorrow (9/11) to discuss issues in the community and business district. Deputy Mayor Maute will contact the Police Department to request that the Police Chief or an officer attend the meeting to review the situation regarding skateboarders and bicyclists.

Ann Buchholz Farmer: She questioned whether any progress had been made to identify land for a skate park in the Village of Lancaster.

There were meetings held with the skate park committee but no update was available.

COMMITTEE REPORTS & FOLLOW UPS:

- **FINANCE & CLAIMS** – Trustee Schroeder

No report.

- **PUBLIC WORKS** – Trustee Schroeder

No report.

- **PUBLIC SAFETY** – Trustee Marki

He spoke with a resident on Cotton Street and he verified that NYSEG needs to be contacted to address a concern with poor lighting on the street.

- **BUILDING, LIGHTS & CODES** – Trustee Marki

He has worked with the Village Attorney and local businesses to update the Village Code relating to sign regulations. The proposed code adjustments have been mailed to business owners for feedback.

➢ **HUMAN RESOURCES** – Trustee O'Brien

Motion by **Trustee O'Brien** and seconded by **Trustee Marki** to appoint Ryan McNichol, 60 Christen Court, to the position of Codes Enforcement Officer – PT, at a salary rate of $15.00 per hour, not to exceed a maximum of 19.5 hours per week.

Adopted Resolution: **194** Ayes: Trustees Marki, Maute, O'Brien, and Schroeder

➢ **COMMUNITY EVENTS** – Trustee Maute

No report.

➢ **ECONOMIC DEVELOPMENT** – Trustee O'Brien

No report.

➢ **SEWER** – Mayor Cansdale (Absent)

No report.

DEPARTMENT HEAD REPORTS & FOLLOW UPS:

➢ **ATTORNEY** – Arthur A. Herdzik

Motion by **Trustee O'Brien** and seconded by **Trustee Schroeder** to approve the revised site plan for Tom's Pro Bike Shop, regarding the demolition of a dwelling at 3687 Walden Avenue, contingent upon approval by the Planning Commission at its September 13, 2012 special meeting.

Adopted Resolution: **195** Ayes: Trustees Marki, Maute, O'Brien, and Schroeder

He will have a proposed local law to ban skateboards on sidewalks within the Village for consideration at the next board meeting. The matter will be discussed at a Public Safety Committee meeting to review conditions to be included in the proposal.

➢ **SPECIAL EVENTS** – Jennie Smith

The Firefighters for Food 5K Race held during the Taste of Lancaster earned a total of $1,856.50 for the local food pantry. She thanked Shawn Marshall for his efforts organizing and planning the race.

➢ **COMMUNITY DEVELOPMENT** – Jeff Stribing

The Sunoco gas station will be closed for 2 -3 weeks for renovations including a new diesel fuel tank and some pumps.

He commended Frank and Shari Sikora as owners of the Central Perk Café for making improvements to their business including a new awning.

➢ **PLANNING COMMISSION** – James Allein

No report.

- **DPW** – George Miller (Acting Crew Chief)

No report.

- **VILLAGE CLERK - TREASURER** – Michael E. Stegmeier (Absent)

No report.

MISCELLANEOUS:

-none-

ADJOURNMENT:

Motion by **Trustee Schroeder** and seconded by **Trustee Marki** to adjourn the meeting at 7:46 p.m. in memory of Edwin Kowal (father-in-law of Asst. Fire Chief Joe Ligammare), Ann Costello, Gerald Wierzbowski, Betty Lathrop, and victims of the September 11, 2001 terrorist attacks.

Adopted Resolution: **196** Ayes: Trustees Marki, Maute, O'Brien, and Schroeder

Respectfully submitted,

Michael E. Stegmeier
Village Clerk – Treasurer

Re: Designation of Lead Agency
Park Lane Apartments II
5 Multi-Family Buildings, 16 Units
Transit Road, South of Michael Anthony Lane
Town of Lancaster, County of Erie

Gentlemen:

Please be advised that a private developer has submitted a Site Plan for Park Lane Apts. II for the construction of five multi-family buildings, 16 units located on Transit Road south of Michael Anthony Lane which the Town has determined to be an "Unlisted Action" under SEQR.

The Town Board of the Town of Lancaster advised the developer that an Application and Environmental Assessment Form (EAF) was to be submitted to the Town of Lancaster in order to commence a review of the proposed project under SEQRA.

The developer has now submitted the application and EAF and the Town Board of the Town of Lancaster is now notifying all other agencies which may be involved in the approval of this project that within thirty (30) days of the mailing of the enclosed EAF, a lead agency must be designated by agreement among the agencies.

The anticipated impact of this project is primarily of local significance and the Town of Lancaster desires to act as lead agency in investigation and review of the proposed action.

Very truly yours,

John M Dudziak 116

TOWN CLERK

Town Board
Town Hall
21 Central Ave.
Lancaster, NY 14086

Dear Town Board:

We would like to ask you to address a dangerous road situation which has developed on Ransom Road at the double CSX railroad tracks south of Walden and north of Westwood.

In the past forty years of crossing these tracks, nothing has come close to the challenge which it is at the moment. This past spring we contacted CSX to ask that they repair the shoddy conditions of the crossing. (Copy of return letter from CSX enclosed) This crossing is always bad after the winter – as it is a high bump for the plows to go over and I am sure that it is a factor in any problems with their blades – however, this past winter saw little plowing. We did, however, in the past 2 years see the following happen: We have massive amounts of car and truck traffic due to the bridge repairs and even windmill blades coming down the road. Windmill blades were transported on flatbeds; we saw at least one flatbed gouge the road: the front wheels went over the tracks but the undercarriage gouged the road as there is not enough clearance for the entire flatbed to pass. Other factors such as the freeze-thaw cycle and people taking the road at a very fast speed and flying over the tracks (you can see that by gouges) add the disrepair.

The result of all the above is that the tracks have been only minimally patched after we contacted CSX – which doesn't work as we are probably the worst crossing in the area, and CSX only fully repairs on a schedule (per their letter). There are currently chunks of the repair material (asphalt?) coming out and falling into the area next to the tracks or getting into the road. The rails rattle as you go across (likely, they are not tightly in place, if the repair material is coming out) and even the wood next to the tracks wobbles as you cross. We know the crossing and slow down to take it at about 5mph. We cannot tell you how many times someone has nearly plowed into us because they don't plan on slowing down! Worse, if motorcycles fly over this, they often are close to losing control due to the track and road surface. It is embarrassing that we need to warn people coming over to the house about taking these tracks at 5 mph or less – or risk damage to their vehicle.

Two things are clear to us: first, people alone can't get CSX to repair a crossing. (We and several neighbors have contacted them asking for that). Secondly, the asphalt repairs don't last: this crossing needs a permanent repair, possibly, the metal plate type

which covers the road before the track and after and also stops the need for frequent asphalt repairs. CSX, as owner of the tracks, probably has excellent liability insurance. However, we worry that someday, the disrepair will cause someone to veer and go into the ditch or, worse, be killed here. Certainly, this does not reflect well on Lancaster in the year 2012.

Can you please use your authority as the Town Board to convince CSX to correctly fix this crossing?

Sincerely,

Judith A. Schwan

Mr. Arlie Schwan
723 Ransom Road
Lancaster, New York 14086

Dear Mr. Schwan:

You recently contacted CSX concerning the condition of the highway-rail crossing at Ransom Road.

We have forwarded your concern to the appropriate department within CSX. Additionally, a CSX representative will inspect the crossing and investigate your concern.

CSX crossing repairs and maintenance are completed on a scheduled basis. CSX is involved with maintenance and construction of approximately 36,000 crossings and bridges within our 23-state network.

As a company dedicated to safety, we want to be sure the crossing is safe, for pedestrians, motor vehicles, and our trains.

Thank you for contacting us.

Sincerely,

TellCSX Team

TO:	ERIE COUNTY ASSESSORS
FROM:	JOSEPH L. MACIEJEWSKI, REAL PROPERTY TAX SERVICES DIRECTOR
SUBJECT:	2013 TOWN/COUNTY PROPERTY TAX EXTENSION SCHEDULE
DATE:	SEPTEMBER 27, 2012
CC:	TOWN SUPERVISORS, TOWN CLERKS, TAX RECEIVERS/COLLECTORS

Please note all of the following dates for the upcoming Town/County Tax Cycle:

October 5: Sign-off on RPTL 520 charges for Town/County purposes are due to Stephanie Halt.

October 9: Erie County Sewer sends out maintenance files to load on RPS.

October 12: Last day to make any value changes to the RPS file. If you have a large court order value change that will impact tax rates, you must contact me for permission to make that change. All special district changes must be completed at this time and your town's budget officer should be given a final totals report.

November 1: 2012 RPS file for the 2013 Town/County Tax Extension are due for all municipalities. Please remember to recalculate the file first and run the Assessment Totals Report (**RPS 960).** In order to ensure that your file is in balance, please send us a copy of the RPS 960 for the **4 digit Roll Section Totals** and **Special District Totals**. *Do not include school district totals.*

November 20: Last day to remit adopted budgets to Erie County Real Property.

November 23: Transfers (RP5217's) will be mailed. These are the last changes to be made for towns of the **1st Class** before providing us a file for name, address and bank code changes.

December 3: RPS file for name, address & bank code changes are due for towns of the **1st Class**. Attached certification form must be submitted with the file and signed by the assessor.

December 21: Transfers (RP5217's) will be mailed. These are the last changes to be made for towns of the **2nd Class** before providing us a file for name, address and bank code changes.

January 3: RPS file for name, address & bank code changes are due for towns of the **2nd Class**. Attached certification form must be submitted with the file and signed by the assessor.

-more-

OTHER IMPORTANT ITEMS:

- ➔ Assessors are responsible for applying to the RPS file all special town charges such as unpaid sewer/water, omitted tax, agric penalty and demolitions or property clean up. Once applied to the RPS file, please provide a special district report for each code used. **These charges must be adopted by the Town Board** and either included in the Town Budget or a Letter of Authorization (ATTACHED) must be completed and signed by all parties as indicated. If this is not done, the county will not put them on the tax bills or guarantee the collection of funds.

- ➔ You must notify the person in charge of budget preparation of all value changes and provide them with a new set of totals before they finalize the budget. ***Incorrect taxable values used in the budget preparation prevent us from generating tax bills.***

- ➔ It is critical that your Tax Receiver/Collector is aware of the deadline for sending us a final file for name, address and bank code changes so that all updates are made in a timely fashion. Furthermore, name, address and bank code changes MUST be listed on the attached form and submitted with the final file.

If you have any questions regarding this process, please contact:

MEMORANDUM

TO:	TOWN SUPERVISOR/BUDGET OFFICER
FROM:	JOSEPH L. MACIEJEWSKI, REAL PROPERTY TAX SERVICES DIRECTOR
SUBJECT:	2013 TOWN/COUNTY PROPERTY TAX EXTENSION SCHEDULE
DATE:	SEPTEMBER 27, 2012
CC:	COUNTY BUDGET DIRECTOR; CLERK OF THE LEGISLATURE; TOWN CLERK; TOWN ASSESSSOR; TOWN TAX RECEIVER/COLLECTOR

2013 budget preparation is underway in Erie County Towns and there are a few important things I'd like to review to ensure that we have a smooth tax extension process.

In accordance with the Erie County Tax Act Section 6-1.0, General Tax Levy, the Town budgets shall be certified to the County of Erie at least one (1) week prior to the last Tuesday of November, which falls on **November 20, 2012.** Adherence to this is essential so please be sure to schedule a meeting to adopt the budget in advance of this date.

Your town assessor is required to provide our office with a final assessment roll file no later than November 1, and has been advised that no value changes resulting from a court order are to be made after October 12. **Please ask your assessor to provide you with a current report of taxable value totals** as these figures have likely changed since they were provided to you in July. Any discrepancy in taxable values will result in tax rate errors and delay our processing of tax bills.

Attached, you will find a list of **"GUIDELINES FOR SUBMISSION OF ADOPTED BUDGET ITEMS"** as well as a copy of the communication that I sent to your Assessor and Tax Receiver/Collector. Please be sure that these items are given to whomever is responsible for preparing the town budget.

GUIDELINES FOR SUBMISSION OF ADOPTED BUDGET ITEMS

Please review each of the following items carefully prior to adopting and submitting your budget:

- Deadline to submit adopted budget to Erie County is Tuesday, November 20, 2012.
- Budget must be accompanied by a certified resolution of adoption from the Town Clerk.
- All special charges to be levied on the 2013 tax bill such as unpaid water/sewer, unpaid garbage, property clean up etc., must be voted on by the town board, without exception. These items should be included in the budget document; or adopted via resolution and submitted with a "Letter of Authorization" (see attached form).
- The budget must include a summary section that contains the information listed below. Please use the sample summary attached as a guide for this portion of your budget submission.
    - Fund Name or Special District Name and Special District Code
    - Taxable Value for each fund or special district
    - Total Expenditures for each fund or special district
    - Total Fund Balance to be used for each fund or special district
    - Total Revenues (before property taxes) for each fund or special district
    - Total Levy for each fund or special district
    - Tax Rate and type (ad valorem, capital, maintenance or unit charge) for each. Please note that Tax Rates based on Taxable Value **MUST** be calculated to the 6th decimal place and Tax Rates based on the number of units **MUST** be calculated to the 2nd decimal place.
- In an effort to reduce costs and use of resources, we strongly encourage electronic submission of the adopted budget and items listed above by remitting to joseph.maciejewski@erie.gov and nancy.dilonardo@erie.gov
- If you are unable to send the budget electronically, please mail to:

Joseph L. Maciejewski
Director of Real Property Tax Services
Rath Building – Room 100
95 Franklin Street
Buffalo, New York 14202

- Once we have received and reviewed the adopted budget and determined it to be in balance, you will receive a report from our office called the RPS155p2. This report summarizes the tax rate and levy for each item to be included in the 2013 tax roll.
- The Town Supervisor or designated budget officer must review the RPS155p2 report and using a form provided by our office, sign off on the tax rates and levy amounts. This sign off is mandatory and will be required prior to printing your town's tax bills.

Re: Proposed Resolution

Date: September 27, 2012

Enclosed please find a copy of correspondence received today from Captain Marco Laurienzo in response to a resident concern regarding the current speed limit on Lake Avenue between William Street and the Village line.

As Captain Laurienzo has recommended that the speed limit be lowered to 35 mph on this section of Lake Avenue, please take the necessary steps to schedule a public hearing and accompanying resolution on this matter as soon as practicable.

Thank you for your prompt attention to this matter.

RE: Lake Avenue Speed Limit

Supervisor Fudoli,

I have read over Mr. Farrar's letter that you forwarded voicing concern over the 40 mph speed limit on Lake Avenue between William Street and Village line. The Lancaster Town Code sec. 46-9 sub 11 set the speed limit of 35mph from William Street to the southern terminus of Lake Avenue. I see no reason why the speed limit should be different for these sections of road. For the sake of consistency and safety I would suggest the Board put forward a resolution lowering the speed limit to 35mph on Lake Avenue between William Street and the Village line. If there are any questions, please contact me.

Respectfully,

Marco A. Laurienzo
Captain

Cc: Chief Gill

Lancaster, New York 14086

Dear Lancaster Town Supervisor, Police Department and Town Board Members:

I am submitting to you a request to have the speed limit currently posted at 40 mph for the section of Lake Avenue north from William Street to the Lancaster Village boundary reduced to 35 mph. It is my understanding a speed study needs to be performed by the Lancaster Police Department to determine if a reduction is warranted. I am not sure what information is used to complete this study but I would like to provide to you the rationale behind this request:

- As all of you are aware, Lancaster has seen substantial growth in the last ten years resulting in more traffic. For every house built there are at least two more cars on the roads. There are only three roads that can be taken between Bowen and Transit Road. They are Lake, Penora, and Aurora. The posted speed limit for both Penora and Aurora in the Town of Lancaster is 35 mph. The posted speed limit for the portion of Lake Avenue south of William Street was changed to 35 mph back in December 2000. The portion of Lake Avenue north from William Street to the Lancaster Village boundary remained at 40 mph.
- The risk to pedestrians who use Lake Avenue to walk, jog, or bicycle down the one foot wide paved shoulder to go to Como Park is significant when you consider the traffic volume and lane width of the road. I believe the reduction in the speed limit would help improve roadway safety for both drivers and pedestrians.
- The residents who live on this stretch of Lake Avenue find it extremely difficult to back out of their driveways in a safe manner due to the volume and speed of the traffic. It appears that vehicles tend to go a lot faster than the posted speed limit of 40 mph.
- It is my understanding there is no master plan to restructure the current road system to accommodate the traffic we have now and additional cars from subdivisions currently approved for development. The volume of traffic is only going to increase. This change we are proposing will help make this portion of Lake Avenue on which we live safer to drive.

The residences with whom I have spoken with all agree that a reduction in the speed limit would be welcomed. We believe it would help reduce the overall speed, thus improving roadway and pedestrian safety. If there is a need to file a formal petition with the Lancaster Town Board regarding this matter, please let me know and I will gather the necessary signatures.

Sincerely,

Larry Farrar

RE: Notification of Road Closure

Date: September 28, 2012

Please be advised that we received notification from the Erie County Department of Public Works, Division of Highways regarding a temporary road closure next week.

Schwartz Road between Broadway and William will be closed on Tuesday, October 2nd and Wednesday, October 3rd.

We have notified Waste Management of the road closure, as refuse collection on this portion of Schwartz Road occurs on Wednesday.

Schwartz Road residents are advised to place refuse at the curb prior to 6:00 AM on Wednesday, October 3rd. Waste Management will make every effort to gain access to this area by 6:30 AM on October 3rd.

Thank you.

MEMORANDUM OF BIDS AND VERIFICATION OF LOW BIDDER

TO: Whom it May Concern

FROM: Timothy P. McGovern, P.E.
Project Manager
Erdman Anthony

SUBJECT: Summary of Bids
2012 – Culvert Replacements and Structure Repairs
Olmstead Avenue, Grant Street, Lake Avenue & Erie Street
Town of Lancaster, Erie County, New York

DATE: September 28, 2012

The attached tabulation (in the following Section) details the Engineer's Estimate of Quantities and Unit Prices and the unit prices bid by all bidders for the above referenced project. The Town of Lancaster received a total of eleven (11) bid proposals for this project. Listed below are the Bidders, in bid rank order, and the total bid amounts as read publicly. There was one Alternate Bid associated with this project. The low bid of $569,852.54 is less than the Engineer's Estimate of $924,108.82.

Bidders in Rank order:

Bidder Rank	Bidder Name	Bid Amount
Engineer's Estimate:		$924,108.82
1	**CATCO (Low Bid)**	**$569,852.54**
2	Tom Greenauer Development, Inc.	$742,693.00
3	Oakgrove Construction	$764,903.00
4	DiPizio Construction Co., Inc	$877,000.00
5	Accadia Site Contracting, Inc.	$905,104.00
6	Union Concrete and Construction, Corp.	$916,349.90
7	Lakestone Development	$964,402.68
8	Pinto Construction	$997,947.10
9	Hunting Valley Corp.	$998,647.50
10	Yarussi Construction	$999,953.40
11	Nichols, Long & Moore	$1,217,988.30

I hereby certify that this contract was bid in accordance with standard competitive bidding procedures and requirements and this tabulation includes all bids received at public bid opening held at 10:00 am on Wednesday, September 26, 2012 for a contract in Town of Lancaster, Erie County known as 2012 – Culvert Replacements and Structure Repairs.

Project Manager

SUBJECT: 2012 CULVERT REPLACEMENTS AND STRUCTURE REPAIRS
OLMSTEAD AVENUE, GRANT STREET LAKE AVENUE & ERIE STREET
TOWN OF LANCASTER, ERIE COUNTY, NEW YORK

DATE: September 28, 2012

A search of online public records and past experience working with this Contractor, has confirmed that Concrete Applied Technologies Company (CATCO), the lowest responsible bidder for the above referenced project, has NOT demonstrated:

- A lack of adequate expertise, experience, or financial resources.
- Criminal conduct in connection with government contracts.
- Grave disregard for the personal safety of employees, government personnel, or members of the public.
- Willful non-compliance with prevailing wage laws.
- Any other significant labor law violations.
- Violations of Workers Compensation Laws.
- Criminal Conduct involving violations of Environmental Conservation Law or other environmental statutes.
- Failure of a contractor/vendor to demonstrate good faith efforts to comply with Federal or State statutes and regulations regarding efforts to solicit and utilize Minority, Women, or Disadvantaged Business Enterprises on government contracts.
- Failure of a contractor/vendor to comply with State and Federal equal opportunity statutes and regulations.
- Submission of a bid which is so much lower than the estimate that is appears performance at that price is unlikely or impossible.
- Any other cause of so serious or compelling a nature that it raises questions about the present responsibility of a contractor/vendor.

A search of the General Service Administration's List of Debarred, Suspended, or Voluntarily Excluded Firms Ineligible for Federal Aid on the Excluded Parties List System (EPLS) (https://www.epls.gov/), returned no results.

A search of the New York State Department of Labor's monthly list of firms debarred for willful violations of the labor law, returned no results.

A search of the New York State Department of State's Corporation database revealed that CATCO is authorized to conduct business in New York State.

A search of the Office of Safety and Health Administration (OSHA) Establishment Database returned no open cases for CATCO.
