Im just wondering when the white and yellow lines are going to be put back on the

New re- done oversized and illegal truck roads consisting of Pleasantview dr, central and Harris Hill.

School has started and students DO use the above named roads without sidewalks or much of any safety

toWalk on. I see them dodging traffic such as these oversized and way over the speed limit trucks day in

Day out. ,No one needs a radar detector to see this either, its in plain sight to all of us.

I went out and purchased poles and reflectors and put them along the front of my

Property to hopely stop traffic from driving on my lawn,this did not help and the reflectors were

Run over and smashed ,Im requesting the \$ 26.75 dollars and \$ 50.00 for labor refunded to me

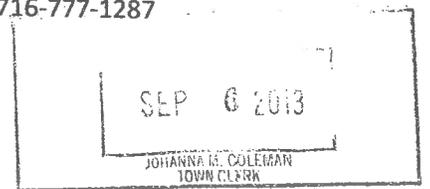

Immediately. I was already forced to take my house that was for sale off the market because of the

Above traffic . This has put a strangle hold on this corner for all of us unless we just want to give

The houses away .
