November 21, 2014

Dino Fudoli, Supervisor
Town of Lancaster
21 Central Avenue
Lancaster, New York 14086

Dear Dino:

On November 21, 2014 at 10:30 AM I would like to give an update on the winter storm that started on Monday, November 17, 2014 at 9:00 PM. At this point we have all of our roads open and passable for all traffic. Although our roads are open we have a massive amount of clean up to make our roads safe for all traffic and school buses. Most of our intersections need to be cleaned so that people have visibility when entering and exiting roadways. At this time I am asking the Supervisor and all Board Members to what extent we shall continue this massive clean-up as we know that FEMA funding is somewhat questionable. I will continue our efforts through the weekend to make the roads safe in the event that our schools are open on Monday, November 24, 2014. I encourage each and every one of you to observe our clean-up efforts as of today and give me input as to what direction I should proceed.

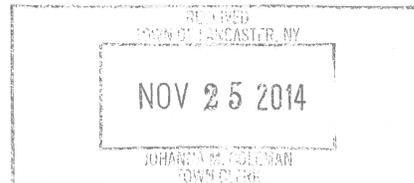

I will be waiting for your response so that we may all come to a conclusion on how to proceed. Thank you.

Respectfully yours,

Daniel Amatura
Highway Superintendent

Total size of Attachments: 1043 Bytes

As of today Saturday, November 22, 2014 at 12:37 PM the only response to my previous email with attached letter has come from Councilmen Aquino and Abraham. My intention is to work Sunday from 7:00 AM to 3:00 PM with all crews. After Sunday we will no longer continue our emergency snow removal.

Re: Sketch Plan for Fox Valley Estates
Project # 4072

Dear Jeff

After reviewing the sketch plan for Fox Valley Estates, Project #4072 other than noting the wetlands in this area that I am sure will be addressed by the Board; my main concern is the impact this subdivision will have on the existing Peppermint Road. As you may or may not know, Peppermint Road is an older country road with a width of 20 to 22 feet. Peppermint road has no underdrain, no shoulders and open ditches. Please keep this in mind when reviewing this plan as the new homes scheduled to be put in this subdivision will have a significant impact on Peppermint Road.

Should you have any other questions, please do not hesitate to contact me.

Respectfully yours,

Daniel Amatura
Highway Superintendent
Town of Lancaster
