WHEREAS, the Town of Lancaster (the “Town”) and Upstate Cellular Network d/b/a Verizon Wireless (“Verizon Wireless”) have negotiated an Option and Land Lease Agreement (the “Lease”) granting Verizon Wireless the option to lease space for the siting of a wireless telecommunications facility consisting of freestanding self-support tower, antennas, an equipment shelter, and other appurtenances necessary to operate the facility (the “Project”), on property owned by the Town, known by Tax Map Number 94.00-3-14, and located at 525 Pavement Road, in the Town of Lancaster, Erie County, New York (the “Property”), with rights for appropriate ingress and egress and utilities in connection therewith; and

WHEREAS, pursuant to Section 50-41.5 of the Town of Lancaster Code, new wireless telecommunications facilities may be granted a waiver by the Town Board from the requirements from the Town’s local zoning law and wireless telecommunications law if sited on Town-owned property (the “Waiver”); and

WHEREAS, Verizon Wireless has applied to the Town Board for approval of the Project, including approval of the Lease and the Waiver; and

WHEREAS, the Town Board is fully familiar with the proposed location, the surrounding parcels, and the larger neighborhood; and

WHEREAS, the Town Board has reviewed the Project, the Lease, the Waiver, and Verizon Wireless’s application materials, including the Environmental Assessment Form, site plan and all other materials submitted in connection therewith.

NOW, THEREFORE,

BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. Based upon the Town Board’s thorough and careful review of the Project, the Lease, the Waiver, and Verizon Wireless’s application materials, including the Environmental Assessment Form, project plan and all other materials submitted in connection therewith, this Board hereby determines that the Project, the Lease, and the Waiver will not result in any significant environmental impacts and hereby issues a negative declaration pursuant to SEQRA.

2. The Town Clerk shall file a copy of the Negative Declaration in the file for the Project.

3. The Town Attorney's Office shall prepare and file a Notice of Determination of Non-Significance with the petitioner and with all required New York State and Erie County agencies, filing a copy of the letter of transmittal.

4. This resolution is effective immediately.

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: July 6, 2015

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the "Town Board"), has reviewed the proposed action, which includes an Option and Land Lease Agreement (the "Lease") granting Verizon Wireless the option to lease space for the siting of a wireless telecommunications facility consisting of freestanding self-support tower, antennas, an equipment shelter, and other appurtenances necessary to operate the facility (the "Project"), on property owned by the Town, known by Tax Map Number 94.00-3-14, and located at 525 Pavement Road, in the Town of Lancaster, Erie County, New York (the "Property"), with rights for appropriate ingress and egress and utilities in connection therewith, as well as relevant zoning and planning approvals related thereto. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Upstate Cellular d/b/a Verizon Wireless – Construction of Telecommunications Tower

Location of Action: 525 Pavement Road, Lancaster, New York 14086, Erie County.

SEQR Status: Unlisted Action.

Description of Action: Upstate Cellular Network d/b/a Verizon Wireless is proposing to install a new wireless telecommunications facility at 525 Pavement Road. The proposed 43' x 80' fenced compound area (6' tall chain link with barbed wire top) will include a proposed 150' self-supporting tower, a 12' x 30' equipment shelter on a 12' x 30' concrete pad, meter board, telco cabinet/vault, transformer, gravel access drive and turnaround. There is also a place for a future wireless telecommunications equipment building within the compound and an area reserved for future compound and gravel drive expansion. On the proposed 150' tower, Verizon Wireless will have 12 panel antennas and associated equipment within an antenna centerline of 140'. The Town of Lancaster will be locating antennas on the tower at 80' AGL, 60' AGL and 40' AGL.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. Air, Water, Noise, Waste, Erosion, Drainage, Site Disturbance Effects: The Project will not create any adverse change in the existing air quality, water quality or noise levels, nor in solid waste production, nor potential for erosion, nor promote flooding or drainage problems. The Project will produce a minimal disturbance of soil and vegetation, with minimal storm water run-off.

2. Aesthetics, Agriculture, Archeology, History, Natural or Cultural Resource, Community or Neighborhood Character: The Project will not adversely affect agricultural, archeological, historical, natural, or cultural resources. The tower will be visible from a number of sensitive receptors, but will not interfere with the use or enjoyment of those sites. The Project is considered a public utility for zoning purposes that must be located as and where necessary to provide essential wireless telecommunications service. Based on the evidence

submitted, no co-location site with lesser impact that will meet the needs of the public is available.

3. Vegetation, Fish, Wildlife, Significant, Habitats, Threatened or Endangered Species. No plant or animal life will be adversely affected by the Project.

4. Community Plans, Use of Land or Natural Resources. The Project is in keeping with the official community plans and goals and will have no adverse effects on land-use or the use of natural resources by or in the community.

5. Growth, Subsequent Development, etc. The Project will not induce any significant or adverse growth or subsequent development.

6. Long Term, Short Term, Cumulative, or Other Effects. The Project will not have any significant adverse long term, short term, cumulative, or other environmental effects.

7. Critical Environmental Area. The Project will not have an impact on any Critical Environmental Area as designated in 6 NYCRR, subdivision 617.14(g).

8. Public Health and Safety. The Project will have no adverse impacts on the public health. The Town Board recognizes that the Project will enable Verizon Wireless to provide reliable wireless telecommunications service to the Town, enabling individuals, businesses and emergency service providers access to this essential service. The Project will promote the general health, safety and welfare of the citizens of the Town by providing access to a modern, reliable system of wireless telecommunications service.

9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).

10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.

11. The proposed action will not create a hazard to environmental resources or human health.

Notice of this determination of non-significance shall be filed to the extent required by the applicable regulation under SEQRA or as may be deemed advisable by the Town Board.
