

LEAF PICKUP

As summer is sadly coming to an end, leaf season will be here before we know it. The Highway Department will be picking up leaves as follows:

MONDAY & TUESDAY – Residents SOUTH of Broadway**
WEDNESDAY & THURSDAY – Residents NORTH of Broadway**

DO NOT MIX LEAVES WITH BRUSH
DO NOT PUT THEM IN BAGS OR ANY CONTAINERS
DO NOT PARK YOUR VEHICLE IN FRONT OF PILE
DO NOT CALL FOR LEAF PICKUP. CHECK WHAT DAY YOUR AREA WILL BE PICKED UP (SEE ABOVE)

The Highway Department will **NOT** pick up:
Grass clippings or ornamental grass.
Pressure Treated Wood
Railroad Ties
Building Debris
Tires

The Highway Department has four leaf trucks that have routes to cover the Town. Please place leaves between the curb and the sidewalk only. **DO NOT PLACE THEM IN THE STREET.** Leaves should also be placed in a separate pile from brush and ornamental grasses as these items cannot go through the leafers.

If you prefer not to wait for our pickup, you may place your leaves in your garbage tote. Please be patient as it takes time to cover the entire Town.

Leaves should only be in a pile between the sidewalk and street.

****Weather dependent & barring any emergencies**
