Re: Sterling Ponds

Dear Stakeholder:

Please be advised that I will be hosting a meeting on September 19, 2023, at 21 Central Avenue, Lancaster, New York 14086, at 6:00 PM to discuss our mutual desire to see regular pond maintenance procedures implemented as well as how to prevent deteriorating ponds in the future. We will assemble in the room where our Town Board meetings take place. Please note that due to ongoing repairs, the front entrance remains closed. Access is from Clark Street.

Any of you who have retained attorneys, please notify them that they are welcome to attend this discussion. They are also welcome to contact me in advance. I look forward to meeting you and your neighbors, and for all input.

Regards,

Thomas E. Fowler, Jr.
