July 5, 2016

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: July 5, 2016

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the “Town Board”), has reviewed the proposed Rezone of 0 Broadway (SBL Nos. 116.00-1-8.1 & 116.00-1-8.2) from General Business District (GB) and Agriculture Residential District (A-R) to Multifamily Residential District Four (MFR-4) located within the Town of Lancaster and submitted by Young Development, Inc. The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Proposed Multifamily Project-Rezoning of 0 Broadway.

Location of Action: 0 Broadway (SBL Nos. 116.00-1-8.1 & 116.00-1-8.2), Lancaster, New York.

SEQR Status: Type 1.

Description of Action: The proposed rezoning of approximately 7.9 acres from General Business District (“GB”) and Agricultural Residential District One (“A-R”) to Multifamily Residential District Four (MFR-4”) to accommodate an expansion of a previously approved multifamily community on contiguous property directly east of the Project Site. The project consists of 4 three-story buildings containing a total of 104 upscale attached residential units and related site improvements including detached garages, access aisles, parking spaces, landscaping, utility connections, etc. The layout of the proposed project is depicted on the Site Plan prepared by Carmina Wood Morris, P.C. dated February 15, 2016. The proposed project is an Unlisted Action pursuant to the State Environmental Quality Review Act (“SEQRA”) since it does not cross any of the thresholds for a Type 1 action per 6 NYCRR Part 617.4. It is anticipated that the Town of Lancaster Town Board will be the lead agency for the required environmental review of the proposed project since the rezoning of the Project Site falls within the jurisdiction of the Town Board. The proposed project will also require Site Plan Approval from the Town Board and an area variance for height of the proposed principal buildings from the Zoning Board of Appeals.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. A small impact on land is noted.

- The proposed action may involve construction that continues for more than one year and in multiple phases.

2. Impact on Geological Features – No impact.

3. **A small impact on Surface Water is noted.**
 - The proposed action involves construction adjacent to a federal wetland.
4. **Impact on Groundwater – No impact.**
5. **Impact on Flooding – No impact.**
6. **Impact on Air – No impact.**
7. **Impact on Plants and Animals – No impact.**
8. **Impact on Agricultural Resources – No impact.**
9. **Impact on Aesthetic Resources – No impact.**
10. **Impact on Historic and Archeological Resources – No impact.**
11. **Impact on Open Space and Recreation – No impact.**
12. **Impact on Critical Environmental Areas – N/A**
 - The Town of Lancaster has not established a Critical Environmental Area (CEA).
13. **A small impact on Transportation is noted.**
 - The impact is mitigated by a traffic light timing change.
14. **Impact on Energy – No impact.**
15. **Impact on Noise, Odor and Light – No impact.**
16. **Impact on Human Health – No impact.**
17. **A small impact on the Consistency with Community Plans is noted.**
 - The proposed action needs to be rezoned.
18. **Consistency with Community Character – No**

Description of Action: Applicant seeking necessary approvals and/or permits to develop and construct a 15,000± sq. ft. industrial office/warehouse building located on 5.88± acres on Lancaster Parkway in the Town of Lancaster, NY. The proposed development will also include a stoned storage area. Additional work will include all supporting site infrastructure for the development. The proposed project ("action") includes all discretionary approvals and/or permits from the Town of Lancaster and involved agencies.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. The proposed action will not create a material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will not result in a change in the use or intensity of use of land.
3. The proposed action will not impair the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.
6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.

8. The proposed action will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems
11. The proposed action will not create a hazard to environmental resources or human health.
