THE FOLLOWING RESOLUTION WAS OFFERED
BY COUNCIL MEMBER ABRAHAM, WHO
MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER, TO WIT:

WHEREAS, the Town Board is considering the proposed construction of a 240' x 60' building by Gelert Development Corporation for a Small Business Accelerator Facility, on +/- 2.0 acres, located at Lancaster Parkway and Pavement Road (SBL No. 94.00-3-32.111) in the Town of Lancaster, and

WHEREAS, the Town of Lancaster Municipal Review Committee has reviewed the environmental impact of this construction project pursuant to SEQR regulations at their meeting on October 2, 2017 and recommended that a Negative Declaration be issued, and

WHEREAS, the Town Board has duly considered the plans for the building, the short Environmental Assessment Form, the criteria for determining significance set forth in 6 N.Y.C.R.R. § 617.7(c) of the State Environmental Quality Review Act ("SEQRA") regulations, and such other information deemed appropriate, including the recommendation of the Municipal Review Committee; and

WHEREAS, the Town Board has identified the relevant areas of environmental concern, has taken a hard look at these areas, and has made a reasoned elaboration of the basis for its determination; and

WHEREAS, the proposed action has been labeled an "Unlisted" action under SEQRA.

NOW, THEREFORE,
BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. This project described as the proposed new 240' X 60' building that will be used as a business incubator for light industrial/commercial usage complete with access to public water, sanitary and storm sewer and other existing utilities. Paved parking will be available for tenants and customers. Landscaping, grass areas and bioswales will surround the perimeter of the driveway and parking lots; will not have a significant adverse impact on the environment, and therefore the Board issues the attached negative declaration of environmental significance for the reasons stated therein.
2. The Town Clerk shall file a copy of the Negative Declaration in the file for the Project.
3. The Town Attorney's Office shall prepare and file a Notice of Determination of Non-Significance with the petitioner and with all required New York State and Erie County agencies, filing a copy of the letter of transmittal.
4. This resolution is effective immediately.

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: October 16, 2017

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the "Town Board"), has reviewed the proposed construction of a 240' x 60' building by Gelert Development Corporation for a Small Business Accelerator Facility, on +/- 2.0 acres, located at Lancaster Parkway and Pavement Road (SBL No. 94.00-3-32.111). The Town Board has determined the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Small Business Accelerator Facility

Location of Action: Lancaster Parkway and Pavement Road (SBL No. 94.00-3-32.111), Lancaster, New York 14086, Erie County.

SEQR Status: Unlisted Action.

Description of Action: the proposed construction of a new 240' X 60' building that will be used as a business incubator for light industrial/commercial usage complete with access to public water, sanitary and storm sewer and other existing utilities. Paved parking will be available for tenants and customers. Landscaping, grass areas and bioswales will surround the perimeter of the driveway and parking lots.

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. The proposed action will not create a material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will not result in a change in the use or intensity of use of land.
3. The proposed action will not impair the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will not result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.
6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.

8. The proposed action will have a small impact on the character or quality of important historic, archaeological, architectural or aesthetic resources. It is noted that this business is going into a pre-disturbed area and will not disturb further land. If any archeological resources are found, the work will cease until it is addressed.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.
11. The proposed action will not create a hazard to environmental resources or human health.
