BY SUPERVISOR COLEMAN, WHO
MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER, TO WIT:

WHEREAS, the Town of Lancaster (the “Town”) and Transit Road Apartments LLC (“Transit Apartments”) have negotiated a Non-Exclusive Permanent Drainage Easement (the “Easement”) granting the Town a non-exclusive, permanent, and perpetual easement to construct, access, inspect, maintain, replace and repair a drainage easement on property owned by Transit Apartments, known as 4845 Transit Road (SBL No. 126.01-1-3.111) in the Town of Lancaster, New York (the “Property”), with rights for appropriate ingress and egress in connection therewith, and

WHEREAS, the Town of Lancaster Town Board (the “Town Board”) has established itself as the Lead Agency pursuant to the State Environmental Quality Review Act (“SEQRA”) and the Town Board hereby ratifies such designation; and

WHEREAS, the Town Board has determined that the action is an “Unlisted” action under SEQRA; and

WHEREAS, the Town Board duly considered the plans for the Easement, using the Short Environmental Assessment Form (the “Short EAF”), the criteria for determining significance set forth in 6 N.Y.C.R.R. 617.7(c) of SEQRA regulations, and such other information deemed appropriate; and

WHEREAS, the Town Board has reviewed the Easement and all other materials submitted in connection therewith.

NOW, THEREFORE,

BE IT RESOLVED by the Town Board of the Town of Lancaster that:

- (a) Based upon a thorough review and examination of the known facts relating to the Easement, the Town Board finds that the Easement will not have a significant adverse environmental impact and issues a Negative Declaration pursuant to SEQRA for the reasons set forth in Part 3 of the EAF and as follows:
- i. There will be no substantial adverse change in existing air quality, ground or surface water quality, or traffic or noise levels. There will not be a substantial increase in solid waste production or in the potential for erosion, flooding, leaching or drainage problems. The purpose of the Easement is to remedy existing flooding and drainage problems, so the Easement should have a net benefit to the environment.
 - ii. Any construction in the Easement area will not involve removal or destruction of large quantities of vegetation or fauna, interference with wildlife or migratory fish, habitat areas, or adversely impact endangered species. The Easement area will be located in an existing development in a residential community, and it will not involve disruption of previously undisturbed lands.
 - iii. The Easement is not located in a critical environmental area.
 - iv. The Easement does not conflict with the Town’s approved plans and goals
 - v. The Easement will not impair the character or quality of the existing community.
 - vi. The Easement will not involve a major change in the quantity or type of energy used in the existing community.
 - vii. The Easement will not create a hazard to human health.

- viii. The Easement will not involve a substantial change in the type of use or the intensity of use of the surrounding lands.
- ix. The Easement will not attract a large number of people to the area.
- x. The Easement will remedy existing flooding problems currently impacting the area, so it will not create a material demand for other actions that could cause a significant environmental impact.
- xi. The Easement will not change two or more elements of the surrounding environment that, collectively, would result in a significant adverse impact on the environment.
- xii. The Easement will not cause an agency to take two or more related actions that, collectively, would have a significant impact on the environment.

(b) The Town Board has reviewed Part 1 of the Short EAF and has completed Parts 2 and 3 of the EAF, which are incorporated herein by reference;

(c) The Town Board approves the Easement with Transit Apartments, in the form presented to the Town Board, for the Easement over the Property;

(d) The Town Board authorizes the Supervisor to execute the Easement (with such non-material amendments, additions or alterations as may be determined appropriate by the Town's legal counsel); and

THE FOLLOWING RESOLUTION WAS OFFERED
BY SUPERVISOR COLEMAN, WHO
MOVED ITS ADOPTION, SECONDED BY
COUNCIL MEMBER, TO WIT:

WHEREAS, protecting the people from harm by enforcing the rule of law is the foundational role of government, and

WHEREAS, Town governments are vested by the State of New York with the responsibility to protect the most vulnerable among us, including the socioeconomically disadvantaged, the disabled, the elderly, and children; and

WHEREAS, no group is more vulnerable than the victims of crime, and a just society demands that crime victims should be recognized as key participants within the criminal justice system and be treated with dignity, fairness, and respect; and,

WHEREAS, for the past twenty-five years the State of New York has committed itself to reducing crime, and has succeeded as evidenced by official U.S. Department of Justice Uniform Crime Reporting Statistics showing that New York transformed from the second most dangerous state in America in the early 1990s to the safest large state in America by the early 2000s; and

WHEREAS, in the final stages of adopting its FY 2020 budget, the State of New York enacted sweeping criminal justice reforms including the elimination of cash bail for many specific enumerated crimes and the imposition of stringent discovery mandates on police and prosecutors; and

WHEREAS, under bail reform, beginning January 1, 2020, judges will be stripped of their discretion to set bail for many specific enumerated crimes, which means those suspected of committing these crimes can no longer be held in jail after their arrest, regardless of the strength of the case against these defendants, or the length of the potential sentence faced by these defendants, or the extent of the harm allegedly caused by these defendants, and instead these defendants will be released back into the general public; and

WHEREAS, these crimes include those that result in the deaths of innocent people, including several subcategories of homicide and manslaughter, resulting in those responsible for these deaths being released back into the community of grieving families; and

WHEREAS, these crimes include Making a Terroristic Threat and Money Laundering in Support of Terrorism in the Third and Fourth degree, resulting in those alleged to have supported terrorism in this manner, or who have threatened to commit acts of terrorism, being released immediately from police custody; and

WHEREAS, these crimes include Promoting an Obscene Sexual Performance by a Child; Possessing an Obscene Sexual Performance by a Child; Failure to Register as a Sex Offender; and Patronizing a Person for Prostitution in a School Zone, resulting in suspected child predators being released and returning into our community; and

WHEREAS, these crimes include Aggravated Assault Upon a Person Less than Eleven Years Old; Reckless Assault of a Child by a Daycare Provider; Criminal Sale of a Controlled Substance to a Child; Abandonment of a Child; and Criminal Possession of a Weapon on School Grounds, resulting in those suspected to have physically harmed or endangered children in this manner being free from custody; and

WHEREAS, these crimes include Endangering the Welfare of a Vulnerable Elderly Person or an Incompetent or Physically Disabled Person, resulting in the potential for further endangerment of seniors and these defenseless individuals; and

WHEREAS, these crimes include Aggravated Cruelty to Animals; Torturing Animals and Injuring Animals, resulting in the immediate release of those suspected of deliberately injuring, torturing and killing animals; and

WHEREAS, these crimes include Assault in the Third Degree, Aggravated Vehicular Assault, and other crimes of physical violence against people; and

WHEREAS, these crimes include Burglary of a Residence, resulting in the immediate release of these individuals back into the neighborhoods they are suspected of targeting; and

WHEREAS, these crimes include Bail Jumping and Unlawfully Fleeing a Police Officer in a Motor Vehicle, resulting in release on recognizance of the very individuals who have demonstrated a propensity to evade the law; and

WHEREAS, all of the offenders mentioned heretofore are at risk of not showing up for court, thereby placing a burden on public employees who, under this law, are required to send multiple court appearance reminders to these offenders, as well as police officers and District Attorneys who must commit resources to tracking and pursuing those who evade prosecution; and

WHEREAS, all offenders who are currently being held in custody for non-qualifying crimes including those mentioned heretofore will be eligible for release from custody on January 1, 2020; and

WHEREAS, the discovery mandates imposed by the State of New York will require police and District Attorneys, beginning January 1, 2020, to turn over voluminous trial-related materials to defense attorneys within 15 days, creating a mandate that will inevitably not be achieved in some cases and may result in the inability of the People to properly prosecute cases against criminal defendants; and

WHEREAS, discovery reform will also result in an opportunity for defendants to gain access to crime scenes that may include a victim's residence, thereby giving defendants accused of burglaries, assaults, rapes and other crimes committed in victims' homes the right to return to those same homes; and

WHEREAS, the issues mentioned heretofore will undeniably impact past, present and future victims of crime in a negative manner, and in so doing, the bail and discovery reforms adopted by the State of New York will themselves further victimize these innocent individuals; and

WHEREAS, these bail and discovery laws, in their current form, represent a clear and present danger to society, will tilt the scales of justice in favor of suspected criminals and away from innocent crime victims, and risk reversing decades of bipartisan progress made by the State of New York in reducing crime; and

WHEREAS, the fundamental responsibility of governments to protect the vulnerable in society demands that the shortcomings of these laws be remedied prior to their effective date of January 1, 2020.

NOW, THEREFORE,

BE IT RESOLVED, the Town of Lancaster hereby supports legislation (S.6853) introduced by Senator Chris Jacobs and implores the State of New York to immediately amend or otherwise delay implementation of these laws by convening an emergency session of the State Legislature, or by emergency executive authority, or by any other means deemed possible by the State, and to do so before December 31, 2019; and

BE IT FURTHER,
RESOLVED, that the Counties and Towns in New York State to urge their state representatives to take immediate action on the foregoing issues, and

BE IT FURTHER,
RESOLVED, that copies of this resolution be provided to Attorney General Letitia James, Governor Andrew Cuomo, Lieutenant Governor Kathy Hochul, Senator Charles Schumer, Senator Kirsten Gillibrand, Honorable Speaker of the Assembly Carl E.
