WHO  
SECONDED BY  
TO WIT:

**WHEREAS**, a “Zombie Foreclosure” occurs when a homeowner vacates their property after a mortgage default and threat of foreclosure, with the home becoming a “Zombie” because the bank has not completed the foreclosure process, and

**WHEREAS**, the longer a property remains in the foreclosure process, the more often neighboring homeowners will struggle with a multitude of issues, such as an unattended home becoming a danger to children, a potential place for vagrants and squatters to move in without fear of eviction, as well as unkempt landscaping leading to an increase in unwanted wildlife during the summer months and obstructed sidewalks during the winter months, and

**WHEREAS**, vacant homes diminish the value of surrounding properties, sometimes significantly lowering the sale price of an entire street, and blighted properties may result in demolition, and

**WHEREAS**, diminished property values present budgetary and property tax revenue challenges for towns, villages and cities in Erie County, and

**WHEREAS**, the Erie County Clerk, Michael P. Kearns, and the Western New York Law Center (the “Law Center”) for over a decade have been undertaking various efforts and initiatives to combat the impacts that Zombie Foreclosures have on neighborhoods in Erie County, and

**WHEREAS**, the New York State Legislature passed the 2016 Zombie Property and Foreclosure Prevention Law (the “Zombie Foreclosure Law”), which in part amends New York Real Property Actions and Proceedings Law (“RPAPL”) Section 1308 to require holders of first lien mortgages, or their servicing agents, to secure and maintain vacant one-to-four family properties, and

**WHEREAS**, the Law provides the following tools in the fight against Zombies: banks or servicers that fail to maintain properties can face potential penalties of up to \$500 per day per property; creation of an expedited foreclosure process; and, RPAPL Section 1310’s establishment of a statewide database of abandoned properties to be maintained by the New York State Department of Financial Services, and

**WHEREAS**, the Erie County Legislature has provided the Erie County Clerk, Michael P. Kearns, and the Western New York Law Center with effective resources to: deliver technical assistance to County municipalities; engage the community to persuade lenders to complete the foreclosure process and perform regular property maintenance; and enforce the Zombie Foreclosure Law, and

**WHEREAS**, in September of 2019, Erie County Clerk, Michael P. Kearns, announced the creation of the Erie County Clerk’s ZOMBIES Initiative (Zero tolerance; Open lines of communication; Municipal participation; Bank accountability; Investment in neighborhoods; Engage and educate communities; Solutions) to provide additional resources to Erie County municipalities and communities facing Zombie Foreclosures, and

**WHEREAS**, the emergence of the COVID-19 pandemic and its widespread financial impacts caused the statewide default on mortgages to soar to 11.8% at the height of the pandemic, and recent numbers from October 2021 showed that 7.4% of all homeowners in New York State were behind on their mortgage payments, and

**WHEREAS**, in February of 2021, the Erie County Clerk and members of the Erie County Zombie Foreclosure Task Force created the “Stay in Your Home Campaign” to introduce effective strategies to combat foreclosures caused by the COVID-19 pandemic, and

**WHEREAS**, ever changing state and federal regulations have temporarily staved off a surge in foreclosures but it is anticipated that foreclosures will sharply increase once these measures end, and

**WHEREAS**, hundreds of homes in Erie County are currently considered “Zombies,” stuck in foreclosure limbo and a drastic increase in the number of foreclosures will escalate the possibility of more Zombie properties, and

**WHEREAS**, the Erie County Clerk’s ZOMBIES Initiative has resolved issues with dozens of Zombies in Erie County, and

**WHEREAS**, the County of Erie is New York State’s leader in combatting Zombies, and

**WHEREAS**, tackling the problem of Zombies in Erie County requires effective communication and cooperation to ensure properties are appropriately targeted and municipalities have potent and practical resources to protect their communities, and

**WHEREAS**, the Town of Lancaster recognizes the severity of the anticipated foreclosures due to the effects of the ever changing state and federal regulations in response to the COVID-19 pandemic, and

**WHEREAS**, it is in the best interest of the Town of Lancaster Residents to be proactive in identifying poorly maintained properties, and

**WHEREAS**, through effective Code Enforcement Practices, the Town of Lancaster was able to prevent an Ellie CT. Zombie Property from deteriorating further and was able to issue a renovation permit for repair and new occupancy.

**NOW, THEREFORE,**

**BE IT RESOLVED**, that the Town of Lancaster supports the Erie County Clerk’s ZOMBIES Initiative and the Stay in Your Home Campaign, and

**BE IT FURTHER,**

**RESOLVED**, that the Town of Lancaster hereby pledges to avail itself of the technical assistance available from the ZOMBIES Initiative to develop a strategy to address and prevent Zombies, and

**BE IT FURTHER,**

**RESOLVED**, that the Town of Lancaster encourages community engagement to report Zombies, and

**BE IT FURTHER,**
